President =	Ceil Cohernour
Vice-Pres=	Ralph Dodson
2nd Vice =	Bill Weatherford
Secretary=	Arlene Porr
Treasurer=	Wilma Dewey
Wagonmaster=	Gladys Davidson.

CABALLO LAKE STATE PARK RIVERSIDE RALLY SITE

(October 13-16)

The Zia Roamers have scheduled the rally site at Caballo for the last campout of this season. To get there travel south on I-25. Exit 59 at Arrey Darrey/ Percha Dam and Caballo. At the top of the exit ramp turn left and proceed over I-25. Turn right into the road following the signs to the Riverside Camping Area. Traveling forward go past the first restroom area to the second. Turn left on the near side of the second restroom area and go through the gate into the rally site. HELLO AND WELCOME.

Barbara Newman is out of state on vacation, but she called the ranger and got his blessing to go ahead and park in the rally site if we go early for the campout.

Audie and Sara Warford have volunteered to take the phone calls on who is going and what they will bring to share with the meals. Their phone number is 505-856-1378. The meals planned are: Friday breakfast is pancakes and bacon furnished by the chapter. Friday lunch is on our own. Friday dinner is pot luck. Saturday breakfast is Zia muffins furnished by the chapter. If someone wishes to bring juice, just let Audie know when you call him. Saturday lunch is on your own. Saturday dinner is Hobo Stew. Let's make this a little fun. It's been years since we have tried anything like this. Bring a can of soup, not creamed, one can for each person served. Wash your can after putting the soup in the pot. We will eat out of the can, dressed like hobos around a campfire. A surprise award for the best hobo costume. We will need dinner rolls, butter, desert etc. Make your offers when you call Audie. If you have any extra firewood you can spare, we sure could use it for the campfire. Or maybe even supplies for Somores.

The craft has been planned since spring. We will make the favors for our Christmas luncheon. We could use scissors to cut paper, rulers and single hole punches. Arlene has quite a story on how she got her hands on paper towel cores. You don't need to bring any of these. Spray paint and glitter will be furnished for those who wish to use it.

Caballo is a good place to play Rocky Mountain Putt Putt!. We will make sure it is in.

Come on down and make this a really good send off for our 40th year of existence!!!

Barbara sent a card to Past State Director Sue Gholson. She is fighting cancer. Many know her father who helped with the ribbon awards. He injured his leg. They sent their love to the Samboree but were unable to attend this year.

Barbara has been the Sunshine chairman for the past year and has done a great job, but she needs **HELP**. If you hear of anyone needing a card, phone call or other need from the chapter please give her a call at **505-898-4431**.

*Note: Driving down Lomas today and crossing over I-40 I saw a new RV Dealer next door to Rich Ford. I understand they are from California and intend to bring in some competition. Anyone who checks them out, let the rest of us know and we will pass the word.

Ceil stopped in and talked to them about doing repairs. They told her that they only repair rigs that they have sold. There is a great selection of rigs but we know nothing about their reliability and service.

LINUS PROJECT

The chapter is still working on the Linus project. If you have yarn or need yarn contact Kathy Ballard. If she is out of town contact Wilma Dewey. Keep those blankets coming. They are getting prettier all the time..

A big thank you goes out to Marji Brink for helping take in, classify, mark and display the craft show. Reports are that she enjoyed the job.

Thanks to Leonard Kuntz for conducting the Bean Bag Toss game and Arlene Porr for hosting Skip-Bo.

Thanks to Bill Cox and his crew for the Friday night meal. Look for details in the article about the Samboree.

OCTOBER ANNIVERSARIES

10/28/61 Charles & Louise Milhollin

GENTLENESS

C R GIBSON

So many Gods, so many creeds
So many paths that wind and wind;
When just the art of being kind
Is all the sad world needs.

2012 Dues

Dues for 2012 are due in the Treasurer's hands by December 1, 2011 by the latest. Needed with your money is your Good Sam number and expiration date **PLEASE!** They are now being accepted. Avoid the last minute rush.

THANKS

Treasurer's new address:
Arlene Porr
22 Lakeshore Dr. NE
Albuquerque, NM 87112

President's Corner

Hello!! We had a great Samboree. The Chapter members won ribbons and did a great job on the meal. Ralph and I are working on a restaurant for November meeting. We will let you know in the next newsletter about where it will be. I am looking forward to seeing everyone at the luncheon. The Caballo trip should bring great weather. The group area may be accessible a couple of days early if someone wants to go down and relax. Please call Sara if you are attending so we will have plenty of food. There will be a Hobo Stew and you can wear your best Hobo attire. The costumes should be lots of fun to see.

In Zia Love, Ceil, Bubba and Chi Chi

OCTOBER BIRTHDAYS

10/6 Jo Metcalf
10/9 Louanne Rauen
10/15 Sandy Brewer
10/18 Wilma Dewey
10/30 Carol Montoya
10/30 Richard Tuschhoff

BED DOLL

The bed doll earned \$289 which was added to the \$300 and presented to the Dogs for the Deaf at the Samboree. Our own Barbara Newman was the proud winner.

Zia Roamers Annual Picnic a Success!

Good food, fellowship and a rousing game of bean bag baseball was attended by a group of Zia Roamers at Snow Park. Ceil Cohernour, Leonard Kuntz, Audie Warford, Bill Cox, Ron Ballard, Mary Bejceck, Jim Watson, Clarence Davis, Edith Stape, Alison Cox, Barbara Vernon, John Brink, Chuck Bejceck, Bill Weatherford, Ralph Dodson, Wilma Dewey, Kathy Ballard and Jeanette

men

Banker, prospective members with a very relaxed afternoon. For a change, there was only one box of the Colonel's chicken. Audie furnished a birthday cake to celebrate the Zia's birthday. Ice cream finished off the cake.

women

We will sit close to the food!

How about that sidearm on Ralph

Bill tries to tell Kathy to lift up on the swing!

Spectators waiting their turn

Surprise Mary! It went through the hole!!

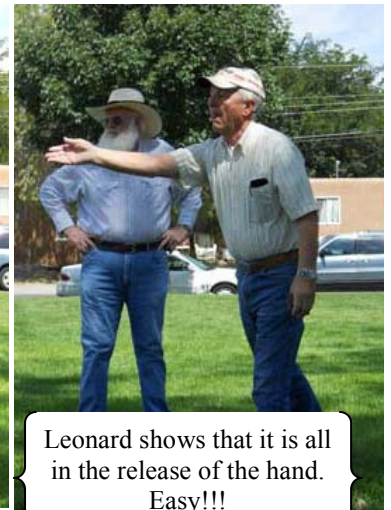

After visiting for a while we took part in a game of beanbag baseball. Men and women were mixed up on the teams and the game began. After a lot of good arms and amusement team one won. Now, nobody knows for sure who was on team one. We just threw the bags when our name was called and hollered for everybody. Fun was the name of the game.

Barbara says to throw it and then to pray it goes in

Ceil says "Alright Ron. Get ready—get set—throw—"

Leonard shows that it is all in the release of the hand. Easy!!!

The camera tells a real story in the study of form.

The 2011 State Samboree in Gallup is complete. It was short in attendance but there was plenty to do and the Zias made their presence known in many ways. Twelve rigs with eighteen members were everywhere doing everything. The members on staff were busy where ever they could be. One of the biggest jobs was the dinner on Friday. Judy Weatherford, Wilma Dewey, Ceil Cohernour and Arlene Porr all cooked and froze the meat ahead of time. Bill Cox, Susie Kuntz, Barbara Vernon, Gladys Davidson and Larry Porr all helped cook, serve and clean. Leonard Kuntz, John & Marji Brink helped serve. Arlen Porr helped serve and clean. Kathy couldn't make it to the Samboree but she cooked and froze meat for us. That is dedication. Chuck and Louise Milhollin helped cook and serve. Very busy group. Good work and money in the treasury.

Louise Milhollin was known to chase people around the round room and sold in excess of 50% of the doll tickets sold at the Samboree.

Ribbon winners at the Samboree were: Susie Kuntz-1st place in chicken foot; Barbara Vernon-3rd place in 42; John Brink-1st place in Bean Bag Baseball; Chuck Milhollin-3rd place in Sequence; Louise Milhollin-2nd place in Sequence; John Brink-3rd place in Men's 30' Horseshoes, Arlene Porr-2nd place in Bowling and Leonard Kuntz-1st place in Bean Bag Toss. Good Work.

The new chapter known as Veterans for Fun chapter was presented their charter by Joyce, State Director. This chapter recruits from all over the United States and they recruited their first member from Canada at this Samboree. If you support Veterans, you might want to check out this chapter.

There was a large turnout of people for the Bean Bag Baseball game, 4 teams. Many Zias played and rooted on the others. The game was conducted by the 3 River Sams of Farmington.

The chapter meeting was moved due to conflicts we couldn't help. Gladys, our can lady reported that we received so much money for our last turn in because we had so many cans. The money was doubled. Gather your cans. Gladys reports she already has a large box going.

Ceil Cohernour helps a first timer while being observed by Bill Holmberg. In the background, Judy is seen letting Bill know she was going to town to test out the doughnuts. This appears to be one of the best jobs going.

Ceil informed the chapter that she has signed up for Bean Bag Toss again for the Spring Samboree in Las Cruces and for dinner. She asked for chapter approval. Suggestions for the meal were discussed. Simple seems to be the theme. The theme of the Samboree is the State of New Mexico's birthday.

Marji Brink, and Ceil Cohernour helped Dottie organize the craft show. Marji liked the job and offered to help again next year. It is nice to see the things as the people bring it in to show. Judy Weatherford entered a very nice colorful needlepoint pillow. She won a blue ribbon. Wilma Dewey entered a 3 foot crocheted angel which won a blue ribbon and best of crochet. She also entered a crocheted set of placemats with napkins which won a blue ribbon and judges pick for best of show. Next year let's have more entries. I know we have lots of talent out there.
